

Superintendent's Fun Run Team Meeting

The Technology Services Superintendent's Fun Run planning team met on **February 12, 2018** to make sure the team is fulfilling all of the pending action items. The date of the run is set for March 24, 2018. Technology Services is assigned awards and timing. Our team is being led by Anthony Melton. Members supporting him are John Crumbley, Frankie Jackson, Eric May, Amanda Medau and Austen Chang. The timing equipment, awards, bibs, and interface to finance for registration is being worked as a priority.

Thank you Team!
