Ethics + Policies

Strategic Planning

Date: March 21, 2018

To: Texas K-12 CTO Council

From: Frankie Jackson, on Behalf of the Leadership Advisory Committee Chair

Subject: Introducing the New Texas K-12 CTO Council Mentorship Program

With the pool of CTOs dwindling and the need to increase the knowledge and skills of CTOs, a mentorship program is in high demand. As the chair of the Leadership Advisory committee, we are proposing the formation of a mentorship focus group. We would like you to participate with this group to develop the mentorship program. We will be introducing this new program at the June 2018 conference.

Please recall in the fall of 2017, I sent out a survey to our Texas K-12 CTO membership including those that have a CETL designation. I asked for volunteers that would be interested in serving as a mentor and subject matter expert in the CETL modules. The list on the next page shows the results from that survey. The first two columns (blue) shows the subject matter experts by mentor. The third and fourth columns (green) shows the subject matter expert mentor by CETL module.

The great news is this. Two states already have well established mentorship programs: [California](#) and [Indiana](#). Check out both links. We believe [Indiana's](#) program is best suited for our Texas K-12 CTO Council. We would like to start with their program. We have permission from their representatives to use their signup sheets and program guides to jumpstart our program. Here are some examples: [Mentor Sign-Up](#), [CTO2B Sign-Up](#), and [Mentorship Program Guide](#).

We would like to use April and May to develop our mentorship program, then June to finalize and present the program during a working group session at the summer conference.

If you are interested, please complete this short survey so we can get organized. Please say yes!

Survey Questions:

1. Will you serve on the Texas K-12 CTO Council's Leadership Advisory Mentorship Program focus group? Y/N
2. Will you help develop the mentorship program? Y/N
3. Will you serve as a mentor? Y/N
4. Do you have any suggestions as to how we should proceed: <comment>
