

# Pilot Approved to Support Students with Home Internet Access at Tanner Mobile Park

Frankie Jackson met Kathryn Sanders, Dave Kapavik (Layer3), John Crumbley, Richard Heffelfinger (Aruba), Linda Macias, Mary Jadloski, Paula Ross, and Ashley Clayburn on **December 19, 2017** to discuss using Title IV Funds for technology, specifically wi-fi access to the Tanner Mobile home park. There are about 150 students in the park without connectivity. The Layer3 proposal for providing access is available [here](#). The team approved the proposal.

After the meeting the purchase order was approved and the pilot will begin in January 2018.
