

# Internet Content Management and Filtering Governance Committee Meets on September 23, 2015

Greg Rhodes, Network Management Operations (NMO) manager, prepared for and led the Internet Content Management and Filtering Governance Committee meeting on Wednesday, **September 23, 2015**. The purpose of the committee is to provide governance over the district's electronic communication and data management (CQ-R) Administrative Guideline for Internet Content Management and Filtering, maintain compliance with the Children's Internet Protection Act (CIPA), and manage the district's Internet content management and filtering practices.

The meeting agenda, discussion, and resulting action items from the meeting are available [here](#).

Thank you Greg for leading the district in keeping students and staff safe as they access the Internet!
