

# Interviews Conducted and Recommendation Made for the Security Specialist Position

Frankie Jackson, John Crumbley, Jennifer Miller, and Paula Ross interviewed candidates for the new Security Specialist position. A recommendation was submitted to Human Resources on **June 16, 2017**.

The search to find the right staff member for our team has been arduous. There are only two other districts in the State of Texas that has a person that performs this job function. There are very few in the nation. Fortunately we found several candidates that had the certifications and experience that we are looking for. The first project the new person will tackle is to get the district the Trusted Learning Environment seal.

**Certified Information Systems Security Professional (CISSP) preferred in certifications in one or more of the following specialty areas:**

- Certified Information Systems Auditor (CISA)
- Certified Information Security Manager (CISM)
- Certified Risk and Information Systems Control (CRISC)
- Certified Ethical Hacking (CEH)

## **Special Knowledge/Skills:**

Knowledge of Information Security regulations including FERPA, COPPA, CIPA, and HIPAA;  
Knowledge of relevant legal/regulatory requirements and common information security management frameworks such as NIST Cybersecurity Framework, ISO/IEC 27002;
