

Trusted Learning Environment (TLE) Final Review for Submittal

Frankie Jackson met with Jennifer Miller, Eric Pina, and James Costello on **May 7, 2018** to conduct a final review of our Trusted Learning Environment (TLE) application. We reviewed several areas needing additional information, specifically in the business continuity planning processes. The team has done a phenomenal job and is on schedule to submit our TLE application on May 9, 2018. What an accomplishment!

Final Review
