

# Customer Relationships Being Built at ALC West and Postma Elementary School

Frankie Jackson visited Tony Rogers on **March 23, 2017** at Postma elementary school and the ALC West alternative school. Tony was making introductions to staff at the schools on the southwest quadrant of the district. Tony let them know he would be providing network support at their schools.

Tony Rogers introduced himself to ALC West staff in case they need network support. Thank you Tony!

Tony Rogers, Technology Services Network Analyst, inspects network closets at Postma Elementary school. Great job!
