

Meeting with TCG Advisors about CyberSecurity: eLOCK360

On **November 7, 2017**, Frankie Jackson, David LaPlante, and Jennifer Miller met with Karen Smith and TCS Advisors to talk about TCG Advisors' cybersecurity service offerings. They are touting a product called eLOCK360 to protect the district of a security breach and identity theft.

eLOCK360

eLOCK360 safeguards employees and the school district from being a victim of a security breach or identity theft, leaving networks vulnerable and exposed. iLOCK360 can help protect the integrity of their identity and in return, our school district.

Defend

Safeguard your entire family from identity thieves with 24/7/365 monitoring of your data

Protect

Alerts will inform you if your identity is compromised to take immediate action

Restore

If you become a victim, Restoration Specialists will assist you in getting your identity in order
