

Book Review Sponsored by the Texas K-12 CTO Council Digital Leadership by Eric Sheninger

Serving as the chairperson of the Professional Learning subcommittee for the Texas K-12 CTO Council, Frankie Jackson is coordinating a book review on Eric Sheninger's Digital Leadership. On **March 9, 2017** she facilitated the chapters 4 and 5. Council members from around the state, as well as our Technology Services' leadership team are participating in the book review. This is all in an effort to grow into the very best digital leaders possible!
