

Book Review Sponsored by the Texas K-12 CTO Council Digital Leadership by Eric Shenerger

Serving as the chairperson of the Professional Learning subcommittee for the Texas K-12 CTO Council, Frankie is coordinating the book review on Eric Shenerger's Digital Leadership. On **February 23, 2017** and previously on **January 9, 2017**, she facilitated the introduction and chapters 2 and 3. Council members from all over the state, as well as our Technology Services' leadership team are participating in the book review. This is all in an effort to grow into the very best digital leaders possible!

Keys to Leading Sustainable Change

In chapter 3, the author talks about Fullan's work about change, [Six Secrets to Change](#).
