

Participation in the Texas K-12 CTO Council Meeting Held in Austin on January 28, 2017

On Saturday, **January 28, 2017**, Frankie Jackson participated in the Texas K-12 CTO Council meeting in Austin Texas. This year the council meeting was scheduled as part Of the TASA Midwinter conference. The agenda is as follows. The highlight of the day was when Paula Ross presented with Doug Minderhout to show off our wireless access point and guest access implementation. After the presentation we received rave reviews for our design. Needless to say we are proud!
