

# Participation in the Texas K-12 CTO Council Large District Representative, Leadership Advisory Chair, Trusted Learning Environment Focus Group Chair

Frankie Jackson is on the board of the Texas K-12 CTO Council as the large district representative. She is also serving as the Council's chairperson for the Leadership Advisory committee, as well as the chair for the Trusted Learning Environment (TLE) focus group. In this capacity she led the first TLE focus group conference call on **August 11, 2017**. All notes from that meeting are available here. She also facilitated the second TLE focus group call on **August 18, 2017**. Those notes are here.

She also organized the leadership advisory committee including setting goals for the 2017-2018 year and rallying membership. Notes about the committee are here.

Frankie participated in the Council's board meeting on August 17, 2017 where she reported on committee and focus group activities.
