

Voice of the Customer (VOC) Meeting

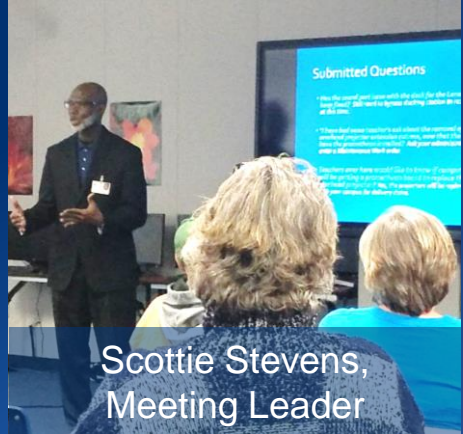

Frankie Jackson participated in the Voice of the Customer (VOC) meeting on **December 13, 2017**. Frankie presented the first 20 minutes about how we are transforming education through the use of technology. [Here](#) is a copy of her presentation. The rest of the meeting agenda included presentations from various Technology Services staff. Afterwards we shared holiday fun with an ugly sweater contest, cocoa, and cookie decorating!

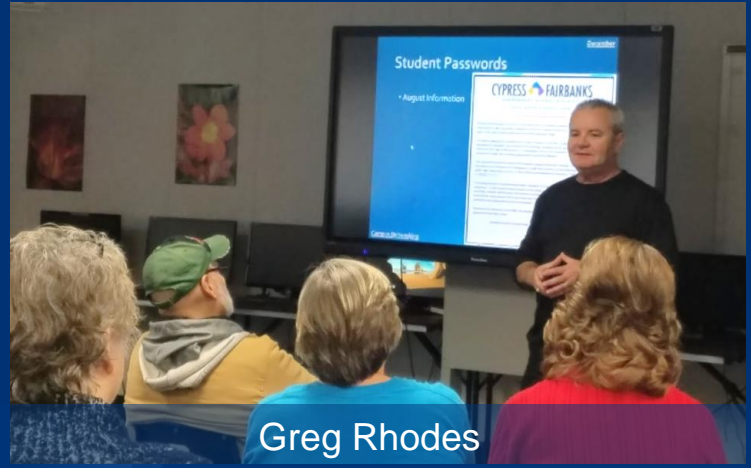

Larry Barrios

All Campus Technicians

Scottie Stevens, Meeting Leader

Greg Rhodes
