Subject: Notes from the Leadership Advisory TLE Focus Group Meeting Conducted **September 1, 2017**

The Texas K-12 CTO Council Leadership Advisory subcommittee hosted a Trusted Learning Environment (TLE) focus group meeting on Friday, September 1, 2017 from 11:30 a.m. – 12:00 p.m. The group used the council’s zoom call in number to conduct the call. Frankie Jackson served as the facilitator. The following is a summary of discussions.

1. The group reviewed the TLE status tracking matrix. [THIS MATRIX](#) is being used to maximize our sharing of information to organize where each district is in the process of developing TLEs and applying for the TLE seal. Unfortunately due to Hurricane Harvey and everyone consumed with school startup, little information was available to review.
2. Each district’s action is to complete the matrix in each of the 25 TLE areas indicating where the district is in terms of preparation. Information may include artifacts, rationale, areas for improvement, new ideas, best practices, where help is needed, links to information, etc. As the group works through the matrix, more ideas about how to manage the focus group’s efforts will evolve. The group feels like we have a great start and are looking forward to future developments.
3. From the last meeting, David Koonce from McKinney ISD took the action to contact CoSN to make sure it is OK to share best practices and work with other districts that are interested in applying for the TLE seal. Before the meeting, David had checked and CoSN gave their approval. Additionally CoSN loved the idea of sharing!
