

ECN Prepares for Police Department Cisco Switch Upgrade

Elizabeth Montes is the primary ECN support analyst for the CFISD Police Department. **Elizabeth** arranged a meeting on **Tuesday, August 30, 2016** with Juan Cruz, from the Police Department, to finalize plans for the Police Department's Cisco switch upgrade. Although the Technology Department has not begun the network connectivity switch upgrades for administrative sites, the Police Department requires a connectivity upgrade prior to the Voice Over Internet Protocol (VOIP) rollout. Therefore, Technology plans to upgrade the network switch infrastructure for the Police Department on Wednesday, September 7, 2016. Pictured above is David Deitsch from Presidio, Juan Cruz from the Police Department, **Elizabeth Montes**, **Oscar Villar** and **Charles Newton** from the ECN Team.

Bond Goal 2 Network Infrastructure Upgrade
