

# Enterprise Communications Network Locating DMARC at New Matzke

**Roland Padilla** visited the *new* Matzke Elementary Campus located on Mills Road. The goal of the visit was to find the location of the AT&T phone demarcation (DMARC).

# Enterprise Communications Network Locating DMARC at New Matzke

Pictured above is the MDF network closet which is also the AT&T phone demarcation point. As you can see, there is still much work to be done.
