

TASBO 2016 Commitment to Excellence Award

Frankie Jackson Chief Technology Officer, Cypress-Fairbanks ISD

At its annual conference last March, the Texas Association of School Business Officials (TASBO) recognized Frankie Jackson as its 2016 TASBO Commitment to Excellence Award Recipient. Each year, TASBO selects an outstanding TASBO member, who demonstrates consistent leadership within the organization and their profession.

After serving as Goose Creek CISD's Chief Technology Officer for 19 years, Jackson has been instrumental in helping Cypress-Fairbanks ISD fulfill its mission: LEAD (Learn Empower Achieve Dream). Cypress-Fairbanks ISD has earned the highest possible rating of MET standard for the 3rd consecutive year and was named 2015 TASA Outstanding School Board in 2015. Cypress-Fairbanks ISD CFO Stuart Snow has lauded Jackson's positive impact in planning and activating technology infrastructure within the district's recent bond program. Jackson has been an active leader with TASBO since 1995 and, most recently, served a term as its board president in 2012.
