I would like to thank Nancy Grella, Daniel Serwinek, and Michelle Campos for your help installing Image Stream software and the Fargo ID Badging printers on two computers at 43 schools last week. With your help, we were able to have Image Stream installed and ready to use before school on Monday, August 24.

Thank you again,  
Anthony

Pat Maldonado,  
Thank you for all you do. After a week of working late nights every night to get our campuses ready with schedules you gave up your Saturday to help out at the Expo at Berry Center and enroll close to 600 students. I appreciate all that you do! Marta Bott
