

# Larry wants to Thank DII

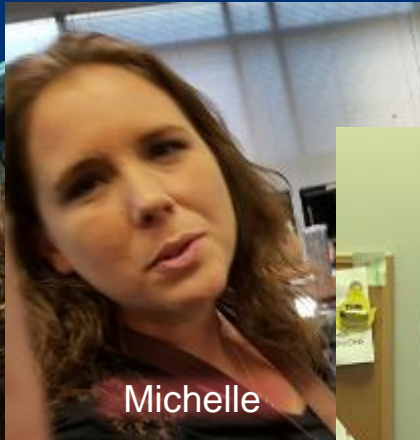

During this time of giving Thanks and as we move into the Holidays, I am reminded of things that are important in my life. Family and friends are a part of what I have been blessed with. Thanksgiving is one of my favorite days of the year because it reminds us to give thanks and to count our blessings. So I wanted to say Thanks to DII! Each one of you is a blessing! You all have your strengths and weakness, but together there is nothing you can not do, together you are a team! I am blessed to be part of that team
