

Student Focus

Lee Honeycutt Rodney White

Rodney White and **Lee Honeycutt** remain committed to delivering digital textbooks to every student in Cy Fair ISD.

Each year, the state and CFISD adopt additional online digital textbooks. Their struggle is to provide seamless access to the textbook. With 114,000+ students, and each student having multiple books for each class, i.e. textbook, lab book, ect., and seven class for a high school student, delivering text textbooks becomes very complex.

On **Monday, December 14, 2015**, **Rodney White** and **John Crumbley** will be talking with Denton ISD's (DISD) technology staff to understand how DISD is architecting their solution to the textbook delivery issue.

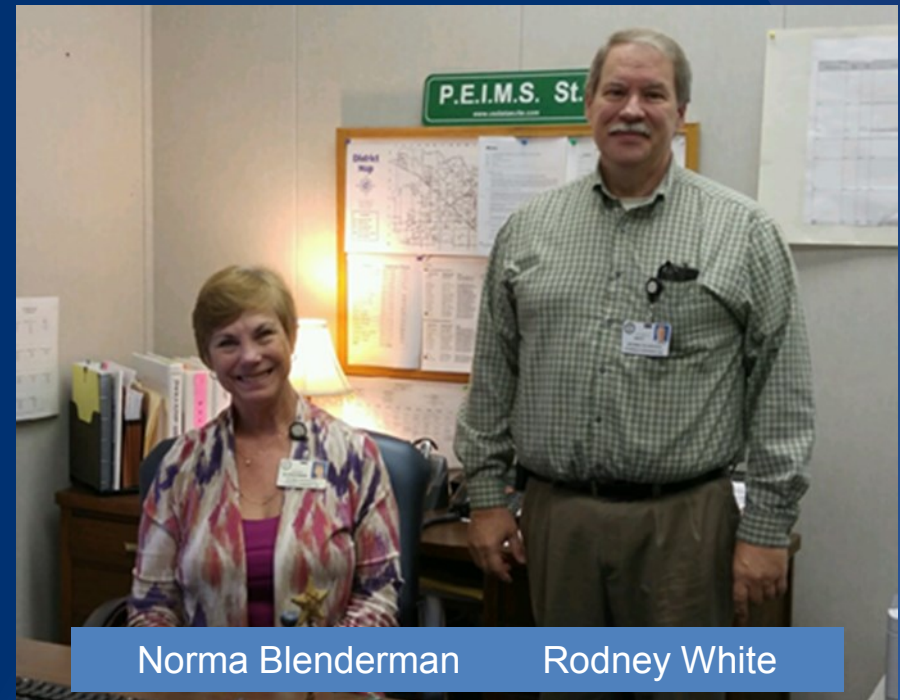

PEIMS Focus

Norma Blenderman, PEIMS coordinator, is busy this week working on the Fall Submission of PEIMS. This is the first submission on TEA's new system data system, Texas Student Data System (TSDS).

When Norma encountered a problem with a data file, **Rodney White** jumped in to help her out. Since this is the first time for Norma to use the new system, the learning curve is steep.

Thank you Norma and Rodney for your dedication and hard work!

Information Services and Applications (ISA) is working with the Human Resources (HR) team to investigate the possibility of documenting job descriptions in a systematic digital format.

Michelle Lilly, with the Human Resources Team, Dava Clark, Eric May and John Crumbley, all with the ISA Team, worked together on Friday, December 11, 2015 to begin discussions on how best to begin this project.

In addition to creating standardized district job descriptions, the data will allow HR to query additional information that before now was difficult and time consuming to obtain.

Leadership and Reflection

CHOOSING TO SMILE EVEN WHEN YOU ARE HAVING A BAD DAY DOESN'T MEAN YOU'RE BEING FAKE. IT MEANS YOU'RE CHOOSING TO FOCUS ON ALL THE REASONS YOU HAVE TO BE THANKFUL INSTEAD OF THE REASONS YOU HAVE TO BE STRESSED.

The ISA Leadership Team's attended the CFISD District Leadership Training (DLT) on **Thursday December 10, 2015**

I love this time of year. The work load does not slow down; if anything it gets faster. But everyone is in a wonderful state of mind. It seems that everyone is little nicer and more patient. The work that was accomplished this week was remarkable. Working with HR, Payroll and Finance has been wonderful. Supporting PEIMS and the campuses has been a joy!
