LEAD The Way!

Belinda Smith Renee Peel Norma Blenderman

Belinda Smith, Renee Peel and Norma Blenderman, seen here in Rodney White's office, decided to pull together to pitch-in. With Rodney away on vacation, it leaves a hole in the operation. Belinda, Renee and Norma jumped in and quickly found that it took ALL there effort, and then some, to step in for Rodney. Have a Great Vacation Rodney... We MISS you!

LEAD The Way!

Congratulations to **Karen Smith** and the Finance team for completing the fiscal year-end closing and opening the 2015-2016 school year fiscal year. **T Traweek** worked with **Mable Isle**, Director of Finance and her team to successfully complete all transactions and close the books on the 2014-2015 school year. On July 1, 2015, T posted this message for all users of the finance system letting them know that we are open and ready for business.

LEAD The Way!

Norma Blenderman and **Renee Peel** continued to work together to further verify the accuracy of the student data in preparation to transmit the data to the Texas Education Agency (TEA).

Renee ran reports for every Cy Fair campus and shared the results with Norma. Together they are correct all issues with the data according to the TEA standards.

ISA Leadership

LEAD The Way!

John Crumbley had a productive week ending July 2, 2015. On Monday, June 29, 2015, he joined Larry Barrios and Anthony Melton of the DII team to meet with Matt Morgan, Assistant Supt Support Services, and his team to discuss the implementation of Zonar for transportation. Zonar is a solution that will assist the transportation department and parents transport the students to and from school.

John led the ISA Leadership Team in their meeting on July 2, 2014. The agenda can be viewed [here](#).

The team focused their meeting on leadership.

John presented a lengthy list of topics that the team can select from to address specific needs. You can view the list [here](#).
