Subject: Thank you for Algebra Camp Success

Frankie,

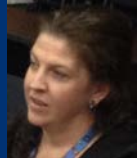

We are finishing up Algebra Camp 2016. It has been a huge success for our entering freshman class. It would not have been possible without the support of Jennifer Miller and her team.

As Kay and I checked the computer setup at campuses, we were able to contact Jennifer about any issues. She made sure that all issues were resolved immediately. Because of this, teachers had the smoothest start yet.

Thank you for the partnership in making Camp successful for the kids.
