

Thank you Technology Services Staff!

Thanks to **Jennifer Miller** for always thinking of us at the CCC. In spite of her busy schedule, she manages to go out of her way to create motivational moments and to show us we are appreciated and valuable members of her team. Arlicia Netto

Katie Hernandez - Thank you for going out of your way to submit a supply order for MCA while I was gone. This truly made a difference in the wait time for the customer and I really appreciate your willingness to help! You are greatly appreciated **Katie!** Samara Rivera-Rangel

Roland Padilla - Thank you for always being willing to help answer any questions I have about phone and drop orders. Most recently, for reaching out to me to find someone to place an order while I was gone. Being able to work together as a team has really helped me in this learning process. Thank you **Rolando!**
