I'd just like to recognize **Karen Davis** and **Kelsey Crouch** for their clean and accurate inventory. As we're pulling tag data to replace laptop carts, Cy Ranch proves to have all the information we need readily accessible. This is standard procedure at Cy Ranch, and I never have to worry about what I'll find when pulling any data for Ranch. Your diligence and attention to detail is refreshing and always greatly appreciated! Thank you! Geoffrey Brown

Austen Chang,

Thank you for stepping up and leading the High School LANDESK conversion team. It is a huge responsibility to lead 10 technicians in a huge school while it is hot, challenging, mundane, and tiring. You are a true inspiration. Thank you. Frankie Jackson

I was working late at Cy Ridge with a cabling team and feeling a bit under the weather. After **Ms. Meshell** saw me she offered me Advil and a drink and made me feel appreciated. She also said yes sir every time which is a rare but pleasant occurrence. Her professionalism and courtesy left an impression on me. An example to follow indeed!

Jay,

Thank you for all your help with our new monitors and stands. We love them!!!

I sincerely appreciate how quickly you always got back to me via email or phone and the fact that you always came down to the office to talk about the monitors, get clarification on location, and make sure the installation was going well. That is great customer service!
