

Goal 6

Wells Elementary School Network Now Online

Elizabeth Montes coordinated the installation of the network electronics at Wells Elementary School on **Monday, June 12th, 2017** with Presidio. The network is up and operational in all the six network closets. All of the security ports were configured and the UPSs were installed by MCA.

Elizabeth Montes and David Deitsch

Wells Elementary School Network Now Online

Andrew Tran, Mike Raspet, and Elizabeth Montes working with David Deitsch from Presidio to connect Wells ES to the core network at Data Center 3.
