

ECN Completes Cisco Switch Upgrade For Police Department

Gigabit Technologies

Juan Cruz

Elizabeth Montes and David Deitsch

At 7:00am **Wednesday morning, September 7, 2016**, **Elizabeth Montes** worked with **Andrew Tran**, Gigabit Technologies, Juan Cruz, and David Deitsch from Presidio to upgrade the switching infrastructure in the MDF, IDF, the portables located on site, and the CFISD Ag Barn. The Police Department is one of the initial administrative sites to receive the Cisco switch upgrade. This upgrade was necessary in order to complete the ECN team's Voice Over Internet Protocol (VOIP) upgrade scheduled for later this month.
