

eSchool 4.0 Launch - April 16, 2018

Technology Services is pleased to announce the launch of our Student Information System, PowerSchool eSchoolPLUS version 4.0. This new version will provide many benefits including the ability to use multiple browsers and improved student searching options allowing for more comprehensive student lists and easier information updates. The upgrade timeline is as follows:

Friday, April 13, 2018 – eSchoolPLUS will be unavailable at 4:30 PM to allow PowerSchool technicians to transfer data to the new environment. All access to eSchoolPLUS, Teacher Access Center, Home Access Center and any external applications or connections that access the PowerSchool applications will be unavailable.

Monday, April 16, 2018 – eSchoolPLUS 4.0 will be available at 6:00 AM.

Please be aware that the most up to date website link for accessing eSchoolPLUS 4.0 will be on the Technology Services website at <https://infoserv.cfisd.net> or through the Ivanti workspaces on your desktop. If you need assistance accessing eSchoolPLUS 4.0 please submit an iSupport service request, call the Customer Care Center at 281-897-4357, or contact your Information Services support person.

Thank you for your patience and cooperation during this upgrade process.
