

Reflections

Acquisition, Assets, and Sustainability

School will be starting in only five weeks. There is still so much to do before the start of school. We will be opening Bridgeland high school, Hoover elementary, the new Matzke elementary, and Wells elementary. It seems like there is no way we can complete this monumental task. We always find a way to make it happen by relying on the great staff that work at CFISD. So as I reflect on what needs to be done, I know we have the team that will complete the task.
