

Goal 2

# Elementary Switch Conversions Are In Full Swing Duryea, Keith, Lee, and Bang

Walk through at Horne Elementary where IDF-C is above the gym and the only access is by way of a ladder

Cisco Switch conversion at Lee elementary

The ECN team spends a significant amount of time each week focused on two main tasks:

1. Campus walk through – Team walks the campus ahead of conversion date to prepare for the conversion.
2. Campus Conversion – Team removes old switching infrastructure and installs new Cisco switches

This week the ECN team worked to complete the switch conversions at the next set of scheduled elementary campuses: Duryea, Keith, Lee and Bang.
