

Enterprise Communication Networks Organizational Announcement

On **Friday February 2nd**, **Bradley Mulligan** passed the Cisco ICND1 exam, qualifying him as a Cisco Certified Entry Networking Technician (CCENT). A CCENT has ability to install, operate and troubleshoot a small enterprise branch network, including basic network security.

In his 3 months working with the ECN team **Bradley** has become an key team member, learning skills relating to Cisco Unified Communications and Cisco Routing and Switching. **Bradley** has a bright future as part of the ECN and we could not be more excited to have him working with us.

Certify Yourself for Success:
Bradley Mulligan
