

Congratulations On Your Accomplishment!

Please join me in congratulating **David Deitsch** on earning his Master of Business Administration (MBA) degree! On Sunday, July 1, 2018, in Van Munching Hall at The University of Maryland, **David** completed the twenty-one month program with a specialty in Information Systems and Business Analytics. Pictured to the right is **David**, with his wife **Sue Deitsch**, who also works for our department. **David** would like to express his sincere thank you to his wife, son, and co-workers for their understanding and support during this journey.

Wishing you happiness and satisfaction in pursuing your goals!
