Enterprise Communication Networks Operational Planning

On **Friday October 19th**, ECN's **Sani Saqr, David Deitsch, Anna Senties** and **Janette Martinez** met with **Meghan Passmore, Britny Bolton, Carlos Garcia** and **Mike Carlson** from Presidio to discuss and coordinate the upcoming portables project. In the coming weeks, they will be upgrading every single portable in the district with Cisco switches so that reliability and quality of the network will be greatly improved.

Enterprise Communications Network Assists Klein ISD Technology

Roland Padilla participated with KISD technology to isolate issues with their legacy Avaya systems which were unable to receive calls from CFISD as well as other entities within the Midwest United States.

Enterprise Communications Networks Solarwinds MS Service Techs Release

On **October 19th Elizabeth Montes** hosted a Solarwinds information session at ISC for the MS Service Techs. Thanks to **Sandra Hoppe, June Hightower, Adriana Cantu, Doreen Ranly, Brenda Willey, June Hightower, Gloria Hawthorne, Richard Kurtz, Jesse Castillo, Mathew Hernandez, Eric Avila, Tim Briggs, Paul Garret, Rosemary Hernandez, Pat Fisher-Holmes, Cassie Slade, Frances Span** and **David Deitsch** for attending. Now they have access to Solarwinds and they are able to see their own custom view that allow them to check the status of their network closets
