

Enterprise Communication Networks Organizational Announcement

Certify Yourself for Success: Glen Carpenter

Please join me in congratulating **Glen Carpenter** on obtaining his Aruba Certified Mobility Associate (ACMA) certification. **Glen** has been supporting our Aruba wireless deployment for the past three years and decided on **Tuesday, February 13, 2018**, to put his knowledge to the test. This certification validates the fact that **Glen** has the foundational networking knowledge and skills required to design, set up and configure a basic Aruba wireless local area network.
