eSchoolPlus

The ISA eSchoolPLUS team worked very hard this year to provide the best support possible and to make sure that the eSchool system was available to every teacher and administrator.

CFISD ended the year with 111,037 students. That makes CFISD the 3rd largest district in Texas and the 23rd largest district in America. This is incredible!

On **Wednesday, June 3, 2015**, evening, **Rodney White, Gwyn Wolke** and **Belinda Smith** worked very late to assist the high school campuses to prepare over 7,600 seniors for graduation. There were challenges, but the team prevailed. **Way To GO Team!**

Norma Blenderman, and the PEIMS team, Pat Maldonado, Renee Peel and Marta Bott, had a remarkable year. Supporting the attendance clerks, over 20 million attendance records were created and entered into the eSchool system.

The amount of data the PEIMS team supports is overwhelming. They do an excellent job of providing top tier support to the campus personnel.

The ISA Leadership Team held their weekly leadership meeting on **Thursday June 4, 2015**. The teams agenda can be viewed [here](#).

The team discussed end of the year key initiatives as well as taking time to reflect on accomplishments during the year.

- **John Crumbley** worked this week to finalize the installation of the CFISD Family Mobile App. We have installed the app on select devices and have begun testing the app.
- The week ending June 5, 2015 is the busiest week of the year for the ISA Team, ending the school year and preparing over 7,000 seniors to graduate.
