

TECHNOLOGY SERVICES – Fun Facts and Things Staff Likes 2016-17

Jake Sanders
 Birthday: 4/28

What is your favorite drink to have during work?	Monster
What's your favorite food to snack on at work?	Pretzels
What is your favorite lunch food to eat at work?	Tacos
If someone were to do something nice for you at work, what would it be?	We've had one teacher already this year gift us with Swedish fish and Monster. Really, just being appreciated for the work we do would be amazing.
What is something that would make your day?	Getting a raise to my current paltry rate
If it were your birthday, and it was a work day, what would you like to spend your day doing?	Ideally, not working. Barring that, working on a few tickets, going home, and relaxing with my girlfriend.
What is the nicest thing someone could say to you?	"I understand you're super busy. I'll try and fix it myself, but if I can't, I'll put in a ticket with what I did so you don't waste your time doing the same steps."
What do you do to completely unwind after work?	I never completely unwind, but for fun, I like World of Warcraft and copious amounts of food and drink.
If you could magically gift every person on the planet one particular skill, what would it be?	The ability to speak any other language fluently.
Name two things you consider yourself to be good at.	Singing and writing
Tell us something exciting about yourself that those at work may not know.	For the better part of a decade, I was an amateur voice actor.
