

April 2018 Board Recognition For the Receipt of \$5.2M of E-Rate Reimbursements

Dr. Henry and Board of Trustees recognized members from the Technology Services department along with Ed and Polly Gifford of Education Partners Solution, and Presidio, the district's network engineering partner, for their hard work and support in the district receiving **\$5,232,431.54** in E-Rate reimbursement funds.

Presidio has been responsible for the network electronic refresh as part of the 2014 Bond Technology Infrastructure Upgrade. EPS worked closely with the district to identify and apply for E-Rate funding reimbursement opportunities. They also led the overall technology upgrade architecture and design. EPS had the original vision for identifying funding opportunities for CFISD. Thank you team! Members recognized from the Technology Services department included:

- Paula Ross for overall Network Infrastructure and Communications (NIC) management
- Leonard Chance for managing technology assets
- Katie Hernandez for overall coordination
- Kim Bowlin for coordination of technology request for proposals and contracts
- Frankie Jackson for leadership and vision
