

Board of Trustees Approve Contracts for MCA and Prime Systems at the December 2015 Board Meeting

On Monday, **December 14, 2015**, the Board of Trustees approved annual contracts for telephone, data and video cabling and repair services ([RFP #15-09-4537](#)) and TVs and mounts annual contract ([RFP #15-10-4577](#)). A list of all Board of Trustee contract approvals for the duration of the 2014 Bond referendum is available [here](#).

Telephone, Data and Video Cabling and Repair Services Annual Contract [#15-09-4537](#) to MCA Communications

The Board will consider awarding bids and contracts and/or authorizing purchase orders as recommended in the posted agenda item. It is the intention to establish an annual contract with one qualified vendor to provide the services required for all sections of this bid for:

- Part I. Telephone Cabling and Repair Services
- Part II. Data Cabling and Repair Services
- Part III. Video Cabling and Repair Services

TVs and Mounts Annual Contract [#15-10-4577](#) to Prime Systems

The Board will consider awarding bids and contracts and/or authorizing purchase orders as recommended in the posted agenda item. It is the intention of the Cypress-Fairbanks Independent School District (CFISD, and/or the District) to establish a contract for **TVs and Mounts**.

The District desires to establish a multi-year contract for TVs and Mounts for three (3) years beginning December 15, 2015 through December 31, 2018.
