

Request for Proposal (RFP) for District Network Expansion, E-Rate Requests, and New Facilities

Frankie Jackson worked with Polly Gifford (EPS), Kim Bowlin, Oscar Villar, and Paula Ross to finalize the four RFPs that are scheduled for board approval in April 2017 (See the table below). All of these RFPs support the district's network expansion and technology infrastructure for new facilities and renovations.

On **March 7, 2017**, the team met all afternoon to discuss RFPs #2 Internet and Related Services, and #3 Internet Gateway Router Switch. They reviewed pricing and technical designs. The team plans to make final recommendations after spring break.
