

# Renovations at Adam Elementary Requires Significant Network Upgrades and Installations

Frankie Jackson visited Elizabeth Montes **March 23, 2017** at Adam elementary. Adam is being renovated. As a result, new offices, classrooms, and network closets are being built and upgraded. Elizabeth is instrumental at making sure all connectivity is installed and no downtime is experienced.

Building renovations are underway at Adam elementary. Administrative staff are almost ready to move into their new offices!

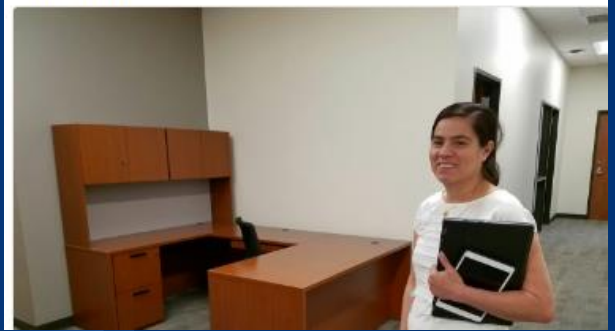

Elizabeth makes sure Adam elementary administrative office area is ready for interactive white board installation in new conference room.

Elizabeth Montes, network analyst supporting Adam elementary, assures new offices are ready for high-speed network connectivity. Great job!

Adam elementary administrative office area ready for move in. Thank you Elizabeth!

New classrooms at Adam elementary are connected with Aruba's enterprise wireless access. Thank you Layer3 and MCA!
