Opening Plenary Session:
Inventing an Equitable Future for All
Monday, April 3 | 4:15 pm – 5:45 pm

Brief Session Description: What is our vision for ensuring that ALL students have the technology tools necessary to support increased equity of learning opportunities? Hear how Miami Dade, the nation's 5th largest school district, is working to create robust connectivity and provide digital equity to all of its students both in school and at home. Join the conversation to understand how school leaders can make a difference in addressing today's Civil Rights issue and committing to an equitable future for all students.
