

Consortium of School Networking (CoSN) Policy Committee Participation at the National Level

Frankie Jackson, as a member of the Consortium of School Networking (CoSN) Policy Committee, participated in a conference call with the committee on Wednesday, **June 7, 2017**.

The Policy Committee is responsible for identifying key public policy issues that are important to CoSN's members and making sure that the interests of CoSN's members are represented at the National political level.

Discussion Topics

- * Capitol Hill Update (House action on CTE and Appropriations Update)
- * IES Homework Gap Report Outlook
- * E-rate (Chairman's prioritization of effective program implementation before major policy changes.)
- * OET's Request for Maker Space Leaders
- * Meeting at White House w/ Grace Kohre: infrastructure bill.
