

# TASBO 2018 Accounting and Finance Symposium Cybersecurity

Frankie Jackson and Karen Smith participated in the TASBO Accounting and Finance Symposium on Tuesday, **October 30, 2018** in Pflugerville. They gave a one-hour presentation on Cybersecurity (click [here](#)).

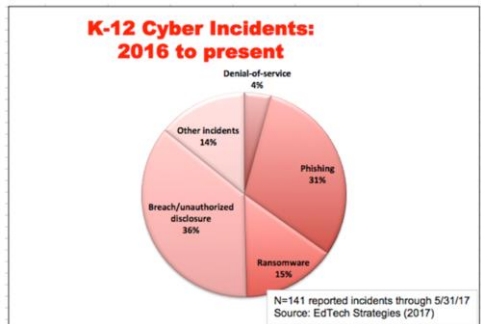

They provided examples from different organizations and told how they remedied the issues. They also talked about building Trusted Learning Environments and gave specific measures that can be taken to prevent cyber attacks from occurring. The presentation was well received!
