

TASBO Online and Just-In-Time Technology Training Offerings (New and Being Proposed)

Frankie Jackson participated in a conference call on **November 3, 2017** with TASBO members serving on the Professional Learning Certification committee. TASBO will now be offering technology courses online for certification and just in time learning. The online e-learning platform will be custom guide. This is a new strategy for TASBO that provides learning opportunities for the Microsoft Office tools as well as Windows, operating systems and web applications.

Frankie serves in the capacity of Vice Chair for the committee. She is working with TASBO to determine the best strategy for rolling out this new platform.
