

Campus Service Technicians Receive Training for Providing Technology Support State Testing

On Wednesday, **February 15, 2017**, all technicians and the leadership team participated in training for the Texas English Language Proficiency Assessment System (TELPAS). Since technology staff support computers and the network used during testing, an oath of trust security and confidentiality must be signed.

Oath of Test Security and Confidentiality
for Technology Staff

FOR ALL TECHNOLOGY STAFF: Complete this section **before** accessing any secure test materials.

I do hereby certify, warrant, and affirm that I will fully comply with all applicable requirements governing the student assessment program and do hereby certify the following:

(Initial each statement.)

JS I have read the test security and confidentiality policies in the test administration materials, and I understand my obligation to maintain and preserve the security and confidentiality of all tests.

JS I understand that student information is confidential and that I am obligated to maintain and preserve the confidentiality of this information.

JS I am aware of my obligation to report any suspected violations of test security or confidentiality to the campus testing coordinator.

JS I am aware that release or disclosure of confidential test items could result in prosecution under the Texas Education Code, Government Code, Administrative Code, and/or Penal Code.

I do hereby further certify, warrant, and affirm that I will comply with all requirements concerning test security and confidentiality.

Signed on this the 15 day of February, 2017.
