

# Trusted Learning Environment (TLE) FINAL SUBMISSION COMPLETE!

Jennifer Miller hit the submit button on **May 9, 2018** to submit the district's Trusted Learning Environment (TLE) application. We should hear back in 30 days as to if we receive the "seal of approval." The process to prepare the TLE application has been underway for months. This is a district improvement goal and at the top of our list of priorities. The team has worked an incredible number of hours to get us to this point.

I've never been so proud! Great job James, Eric, and Jennifer!!!!
