

# NEW Matzke Elementary School Cabling Status Update

**Michael Raspet** and **Anna Senties** attended a construction meeting on new Matzke Elementary School. After the meeting **Michael** and **Anna** walked the school and met with Mark Balleza from MCA, the school's cabling contractor to inspect the network closets and assess the progress. The front portion of the school was complete and progress was proceeding on the north half of the school.

# NEW Matzke Elementary School Network Closet Update

**Michael Raspet** and **Anna Senties** met with the air conditioner contractor who was installing a new type of split air conditioning unit that would cool the network closet after hours when the building air conditioning cycled off. Maintaining proper cooling temperatures in the network closets alleviates premature equipment failures.

# NEW Matzke Elementary School Meeting

## The Opening of the NEW Matzke Elementary Cathy Jacobs, Principal

*We are here to support you Cathy!*

**Frankie Jackson, Michael Raspet, Leonard Chance, Kimberly Bowlin and Paula Ross** attended a meeting on **Friday, April 28, 2017** for the opening of the NEW Matzke Elementary School. The Technology team met Cathy Jacobs, the principal, and explained how the department plans to support Cathy during the opening of the new campus.

The campus was originally scheduled for May 1, 2017, substantial completion. However, the team learned at this meeting that substantial completion will not be until July 2017.
