

# Wireless Requirements For New Matzke Elementary

Bond 6.1

**Anna Senties** coordinated a meeting between CFISD technology staff, Layer 3 Communications, and Facilities to discuss wireless requirements for the new Matzke Elementary School.

## Action Items From Meeting:

- Facilities – Get the CAD files; Included in these files will also be prints that show ceiling types/heights
- Layer 3 – Transform CAD files into AP placement maps
- Layer 3 – Committed to provide heat maps by 15 December to Facilities
- Layer 3 – Provide details on installation of cables to included heights
- Layer 3/CFISD technology – Plan for renaming APs and replacing labels on APs at old-Matzke after completion of new Matzke.
