

# Welcome Alex To The Team!!

**Alex Rohr** is our newest member to the NMO Team. Alex is a 2016 graduate of Texas A&M with a Bachelor of Science degree in Technology Management.

Alex will be providing support for VMware, storage, backups, and O365 administration as he cross trains with the NMO Team.

Alex currently commutes from College Station each day. He is a self-proclaimed Netflix addict, likes classic cars and Texas history. And of course true to Aggie form, Alex enjoys the A&M football and baseball games.

Please join me in welcoming Alex into the Technology Services Family!
