- Engagement & Support
- Instructional Support- Becky Cook
- Hardware
- LightSpeed Review - Frank Adian

# Submitted Questions

- ▶ If students are bringing their own laptops to school, should we have a permission slip from parents saying that we are not responsible for any damages to that equipment? [Technology Services](#)
- ▶ Can we get an explanation for removing Adobe Acrobat DC from the base image build? [DII](#)
- ▶ For those who have the level 2 Certification for Ivanti; is there a forthcoming process that will allow us the ability to push and assign software bundles, as well as search for devices and users just as we had prior to the Ivanti update? If not, will there be a level 3 certification prepared, and test administered at some point this year? [DII](#)

# Submitted Questions

- ▶ What is the timeline for Active Panel delivery for Cate classes, Social St., Sp Ed.? [Instructional Technology will discuss in Small Group Meeting](#)
- ▶ Overdue tickets, are the comments on the tickets read and the dates when the last person had it looked at? We get tickets in our que that have been addressed and given back to us past the SLA and we look like we had it in our queque the whole time. [Performance Excellence](#)

# Thank You

- ▶ We want to thank each one of you for all the work that you have done to get our staff and students ready for the school year. You all bring value to our team and CFISD as a whole. You are appreciated and we are thankful that you are part of our team.
- ▶ Thank you for all you do and the support of your campuses!!
