SPAM NOTIFICATION

CFISD Staff,

Earlier today several of you received a SPAM/Phishing email with the subject line "Termination of Account". This email is SPAM.

This is a reminder to you, that your CFISD Technology team will **never** ask you to click on a link in an email to extend, protect or validate your account.

All such requests are spam and should not be actioned. If you ever have any doubt, contact the Customer Care Center at 281.897.4357. Even if the CFISD logo is in the email, hackers are very sophisticated in their attempts to infiltrate email accounts and they will use any means necessary to convince you it is real.

Thank you,

Jennifer Miller, CETL
Director of Technology Support
Services/ Performance Excellence

Kimberly Osborn
